

data) or the last price (in lieu of closing price data) occurring during the trading session, clearly indicating that such prices are the first and the last price; or (B) nominal opening or nominal closing prices which the contract market reasonably determines accurately reflect market conditions, clearly indicating that such prices are nominal.

(2) The settlement price established by each contract market or its clearing organization.

(3) *Additional information.* Each contract market shall make readily available to the public, in printed form at the office of the contract market, the following information with respect to transactions in commodity futures and commodity options on that contract market: (1) The method used by the contract market in determining nominal prices and settlement prices; and (2) if discretion is used by the contract market in determining the opening and closing ranges or the settlement prices, an explanation that certain discretion may be employed by the contract market and a description of the manner in which that discretion may be employed.

(c) *Critical dates.* Each contract market shall report to the Commission for each futures contract the first notice date and the last trading date and for each option contract the expiration date in accordance with paragraph (d) of this section.

(d) *Reports to the Commission.* Unless otherwise approved by the Commission or its designee, contract markets shall submit the information specified in paragraphs (a), (b), and (c) of this section as follows:

(1) Using a format and coding structure approved in writing by the Commission or its designee in both hard-copy form and on compatible data processing media;

(2) When each such form of the data is first available but not later than 7:00 a.m. on the business day following the day to which the information pertains for the delta factor and settlement price and not later than 3:00 p.m. for the remainder of the information; and

(3) Except for dial-up data transmission, at the regional office of the

Commission having local jurisdiction with respect to such contract market.

§ 16.02 Large option trader reports.

(a) *Information required.* Each contract market shall submit to the Commission a weekly report for options on futures and for options on physicals that are settled in cash and, unless otherwise determined by the Commission, a daily report on all other options on physicals, containing the following information for each option trader controlling a reportable option position.

(1) With respect to each reportable position controlled by the option trader, the following information shown separately for each futures commission merchant or member of the contract market:

(i) Each long and short separately for puts and calls by expiration month and strike price; and, in addition, for options on physicals not settled in cash,

(ii) The number of contracts exercised.

(2) Each contract market shall identify all option positions controlled by the same trader which are carried at the same futures commission merchant or held by a member of the contract market by use of the number which is assigned by the futures commission merchant or member in accordance with § 17.01(a) of this chapter.

(b) *Form and manner of reporting.* Unless otherwise approved by the Commission or its designee, contract markets shall submit the information required by paragraph (a) of this section as follows:

(1) Using a format and coding structure approved in writing by the Commission or its designee on compatible data processing media or if the contract market is unable to provide the data on data processing media, in hard copy form.

(2) When the data is first available but not later than 3 p.m. on the business day following the day to which the information pertains. For options on

futures and for options on physicals that are settled in cash, such information shall be compiled weekly as of the close of business on Tuesday, or Monday if Tuesday is a holiday, or more frequently than weekly as the Commission may direct; and

(3) Except for dial-up data transmission, at the Regional Office of the Commission having local jurisdiction with respect to each contract market.

§ 16.03 Option trader identification.

Each contract market shall provide to the appropriate Regional Office of the Commission within one business day of the day an option trader's position is first reported to the Commission, account identification information which futures commission merchants, members of contract markets, and foreign brokers are required to provide to contract markets under § 17.01. The information shall be updated whenever there is a change thereto, or, in any event, if at the time an option trader controls a reportable position, the information has not been supplied to the Commission during the previous 12 months.

§§ 16.04—16.05 [Reserved]

§ 16.06 Errors or omissions.

Contract markets shall file with the Commission on compatible data processing media using a format and coding structure approved by the Commission or its designee, corrections to errors or omissions in data previously filed with the Commission pursuant to §§ 16.00 and 16.01.

[62 FR 24032, May 2, 1997]

§ 16.07 Delegation of authority to the Director of the Division of Economic Analysis and the Executive Director.

The Commission hereby delegates, until the Commission orders otherwise, the authority set forth in paragraph (a) of this section to the Director of the Division of Economic Analysis and the authority set forth in paragraph (b) of this section to the Executive Director to be exercised by such director or by such other employee or employees of such director as may be designated from time to time by the director. The Director of the Division of Economic Analysis or the Executive Director may submit to the Commission for its consideration any matter which has been delegated in this paragraph. Nothing in this paragraph prohibits the Commission, at its election, from exercising the authority delegated in this paragraph.

(a) Pursuant to §§ 16.00(b) and 16.01(d), the authority to determine whether contract markets must submit data in machine-readable form or hard-copy or both, and the time and Commission office at which such data may be submitted where the director determines that a contract market is unable to meet the requirements set forth in the regulations.

(b) Pursuant to §§ 16.00(b)(1), 16.01(d)(1), and 16.06, the authority to approve the format and coding structure used by contract markets.
